Exercise 11-4: Independent UV Experiment
Collection of experimental data
Write here and record in your lab notebook your team’s response to the following questions.

A. Describe here your team’s strategy to collect your data:

B. Write out below a sample table that you will use in your lab notebook to collect your data. It does not need to have data in it, but clearly indicate your table headers.

C. Describe here your team’s strategy to analyze your data.

Please fill out this page and turn in, to the instructor at the end of the day (6/23/09). It will be returned to you.
