Access path key

- Accessible Route—This path generally conforms to accessibility standards.
- Partially Accessible Route—This path generally conforms to accessibility standards, but there may be excessive cross-slope (over 2%) or other irregularities in a portion of the path.
- Areas that may be a travel hazard (where the slope exceeds the standard maximum ramp slope (8.3%), or the cross-slope is significant (exceeds 4%).
- Ramp (5%–8.3%)—Complying ramp along the accessible route.

Note: The map and information on pathways are limited by the scale. The accessible route should be clear to a person at a distance of approximately 25 feet. The dash line is intended to indicate where keener observation may be necessary to locate the accessible route. Pathways are generally asphalt and subject to weathering, erosion, uplifting, and other changes that may create navigational issues. SFSU is committed to maintaining the accessible route. Please report any irregularities to Disability Programs and Resource Center, 415-338-2472 (voice, TTY).
