The America’s Cup is a long-standing tradition in sailing, with races between two sailing yachts. The yachts, known as the defender and the challenger, compete for the Cup against the holder of the America’s Cup. The defender is the yacht club that currently holds the America’s Cup, while the challenger is the yacht club that is challenging for the Cup.

The Race
The America’s Cup is held in October 2012, with the races taking place on the San Francisco Bay. The races are open to the public, and many people come to watch the races and enjoy the Maritime Festival in the area.
